Subject Grant of a site to the Mysore Provincial Co-operative Institute, Bangalore

We, the members of the Provincial Cooperative Council of the Mysore Provincial Cooperative Institute, Bangalore, write to place the following for favour of your kind consideration and favourable orders

Select another site they agree to my proposal

The Mysore Provincial Cooperative Institute, the Central organisation representing the co-operative movement in the State, has resolved to commemorate in a befitting manner, the great and noble services rendered by His Highness the late Yuvaraja Sir Sri Kanteerava Narasimharaja Wodeyar Bahadur, to the cause of the co-operative movement in the State, by constructing a building after his name, wherein the Office of the Co-operative Institute will be located and a Co-operative Library and a Research centre and cooperative training college will be opened, as its humble tribute

26 6 53 Secy

L S

& MAS

We may be permitted to state in this connection that this movement was privileged to have the inspiring guidance continuously for over three decades of late Sir Sri Kanteerava Narasimharaja Wodeyar Bahadur, the illustrious father of our beloved Maharaja and His Late Highness's connection with the movement was of a long and intimate nature A number of Provincial Co-operative conferences were declared open by His Highness ard two of them were presided over by him His late Highness was also pleased to institute prizes for the best working co-operative institutions in the State In short, he was a great patron and staunch supporter of this movement

The co-operators of Mysore and the members of the Provincial Co-operative Council of the Institute are of unanimous opinion that they owe a duty to His late Highness the Yuvaraja Sir Sri Kanteerava Narasimharaja Wodeyar Bahadur for the great and roble services rendered by him to the cause of co-operation and have therefore resolved to commemorate his noble services by constructing a building at Bangalore and naming it after him, which would go a long way in enabling the Institute to achieve its avowed object of promoting co-operative propaganda and education throughout the State by means of opening a big Co-operative Library, Co-operative training college and a research centre, etc

May we therefore request that you may be pleased to grant the Institute free of cost, the site by the side of Sri Anjaneyaswamy temple in the Albert Victor Road, Chamarajpet, Bangalore city This is a Government site and is suitable for our purposes on account of its being close to the leading cooperative institutions in the city, such as the Apex Bank, the Mysore central cooperative Land Mortgage Bank, as also the office of the Registrar of Co-operative societies in Mysore

We may add that Government were pleased to grant such sites in the past to the Apex Bank, Central Land Mortgage Bank and the Bangalore city Co-operative Bank, etc, for constructing their own buildings

We may be permitted to state that we are eagerly looking forward to the day when the Foundation Stone for the proposed building would be laid by your goodself

Yours faithfully,
